Anesthesia Pain Care Senior Invitational Returns to South Florida

3/30/15

Last year, the **Anesthesia Pain Care Senior** Invitational Golf Tournament raised **\$45,000** to support the remarkable efforts of the World Institute of Pain (WIP) Foundation. This year's event is looking to surpass that goal.

This highly anticipated, annual tournament will be held at TPC Eagle Trace Golf Club from April 20-23, 2015. With an array of outstanding senior professionals, the Sunbelt Senior Tour is proud to be back in Coral Springs and provide funds to help the WIP Foundation, a charitable organization that strives to end the suffering of chronic pain throughout the world, targeting the least developed and emerging countries.

The Pro-Am day on Monday, April 20, begins with 11 a.m. registration, followed by warm-up time, plus a 30-minute clinic for sponsors and juniors. The shotgun start Pro-Am Best Ball with the touring professional commences at 1 p.m. Awards, auctions and raffles highlight the 6 p.m. banquet.

Anesthesia Pain Care Consultants is once again the Platinum Pro-Am Sponsor. There is still time for golfers and sponsors to show their support.

TPC Eagle Trace is located at 1111 Eagle Trace Blvd., Coral Springs, FL 33071.

For more information on how you can sponsor or get involved, contact Tom Eubank, tom@charityproamtour.com or call (404) 944-9988.
