**ANESTHESIA PAIN CARE CONSULTANTS WELCOMES JAVIER VILASUSO, MD**

**TAMARAC, Fla. – (November 2, 2015)** – Anesthesia Pain Care Consultants (APCC) is pleased to announce that interventional pain medicine physician Javier Vilasuso, MD has joined the practice. He will bring his skills and success in pain management and anesthesia to the many patients who turn to APCC to relieve their pain.

“We welcome Dr. Vilasuso to the practice, and look forward to his expertise and knowledge as we work with patients to help improve their quality of life and reduce their pain,” said Ira Fox, MD, DABPM, FIPP, ABIPP, co-founder of Anesthesia Pain Care Consultants. “His experience and understanding of pain management will help us determine the right course of treatment for the best possible patient outcomes.”

Prior to joining APCC, Dr. Vilasuso established his own medical practice called Miami Pain Specialists, where he treated chronic pain patients with a variety of interventional procedures. He was also with Doctors Hospital at Baptist Health South Florida in Coral Gables overseeing all of the hospital’s pain consults.

Dr. Vilasuso has extensive training and experience treating both benign and malignant pain syndromes, which comes from his time at the Moffitt Cancer Center in Tampa. His special training includes the Vertos Medical MILD ® procedure.

Dr. Vilasuso is a member of the American Board of Anesthesiology, the American Society of Regional Anesthesiology and Pain Medicine and the American Society of Anesthesiologists. He has contributed to numerous conferences and case studies with regard to techniques used in the treatment of chronic pain patients.

In 2013, he was honored by the International Association of Anesthesiologists and recognized in its renowned publication called *The Leading Physicians of the World*.

Dr. Vilasuso earned his medical degree from the University of Miami’s Miller School of Medicine. He attended the University of South Florida where he completed his fellowship training in pain management and residency in anesthesiology.
