Dr. Ira Fox Appointed as Chairman of the Local Organizing Committee and Program Director

Dr. Ira Fox

Ira Fox, MD, DABPM, FIPP, ABIPP, co-founder of **Anesthesia Pain Care Consultants**, has been appointed as Chairman of the **Local Organizing Committee and Program Director** for the 3rd Annual Miami Interventional Pain Hands-on Workshop, hosted by the World Institute of Pain's (WIP) United States and Brazil sections. The workshop will take place from December 2 through December 4 at the Miami Anatomical Research Center.

Dr. Fox will be presenting on thoracic and cervical neuroplasty. He will be joined by some of top physicians in the growing field of interventional pain management. Lectures will be given in English, and simultaneous interpretation into Spanish and Portuguese will also be available.

As one of the earliest members of the WIP, Dr. Fox continues to be an integral part of its educational faculty. Dr. Fox was chairman of the WIP advisory board, honorary treasurer and has been on the executive board since 2011. He has also been appointed to the WIP's Committee on Project Development as the first chairperson. The committee will encourage, initiate and supervise projects that should be dedicated to the education, standardization and evaluation of medical doctors within the framework of WIP activities.

Dr. Fox holds the distinction of being the inaugural executive examiner for the WIP & American Academy of Pain Medicine Ultrasonography (AAPMU) 1st Annual WAAPMU International Congress. He is a Fellow of Interventional Pain Practice and Certified Interventional Pain Sonologist (CIPS).

The 30th FIPP Examination and 3rd CIPS Examination will be offered on Saturday, December 5.

Miami Anatomical Research Center is located at 8850 NW 20th St., Doral, FL 33172. For more information about the FIPP Examination and CIPS Examination, please contact D. Mark Tolliver, certification program manager at the World Institute of Pain, at (336) 760-2939 or mark.tolliver@worldinstituteofpain.org.

Anesthesia Pain Care Consultants, based in Tamarac, Fla., has built a reputation for excellence and success in relieving pain for its patients. Founded in 1996, the mission of APCC is to concentrate on the diagnosis and treatment of pain through the use of interventional techniques, as well as physical therapy and medication management, when needed. Dr. Ira Fox, MD, DABPM, FIPP, ABIPP, performs IMEs and functions as an expert medical witness in personal injury and workers' comp cases. Dedicated physicians, modern technology and extensive experience are combined at APCC to provide significant pain reduction associated with accidents, surgery and chronic conditions.
