

Ira B. Fox, MD, DABPM, FIPP, ABIPP Named Trustee to the Board of the World Institute of Pain Foundation

Tamarac, Fla. - Ira Fox, MD, DABPM, FIPP, ABIPP, founder of Anesthesia Pain Care Consultants, was appointed to the World Institute of Pain (WIP) Foundation Board of Trustees. The position is effective immediately and runs through 2013.

“It is an honor to serve as a Trustee for the WIP Foundation, which has done so much on a worldwide basis to support physicians who are dedicated to reducing and eradicating acute and chronic pain,” said Dr. Fox, who was named chairman of the Advisory Board for the World Institute of Pain Executive Board in 2010. “I am grateful to the board for putting their confidence in me and look forward to the exciting projects that will be undertaken in the coming year to help people regain their lives.”

The World Institute of Pain Foundation encourages and organizes equal opportunity in the exchange of knowledge, education and science in pain medicine. The Foundation is dedicated to the creation of projects that will enable scholarships to be provided to eligible pain physicians for training and certification, as well as developing protocols for global, clinical and basic science research in pain medicine.

Dr. Fox has spent more than two decades treating patients with acute and chronic pain. He maintains board certifications with the American Board of Interventional Pain Physicians (ABIPP); World Institute of Pain – Fellow of Interventional Pain Practice (FIPP); American Board of Pain Medicine; and the American Board of Anesthesiology, with added certification in Pain Management. Additionally, he serves as an examiner for the FIPP Board Certification. He has been named as one of South Florida’s “Top Docs” by *Gold Coast Magazine* for the past seven years.

Dr. Fox attended medical school at the U.A. of Guadalajara in Guadalajara, Mexico and is bilingual. He completed his medical education at State University of NY at Stony Brook, NY. He completed his residency in anesthesiology at Monmouth Medical Center in N.J. where he was Chief Resident.
